

# Industrial Linear Enclosed & Gasketed Portfolio

Renowned for providing the Best Value in Lighting®, Lithonia Lighting® provides the most complete portfolio of enclosed-and-gasketed luminaires in the market. Available in LED and traditional fluorescent platforms, we help you meet stringent environmental and illumination requirements.

Linear	XWM LED	DMW2 LED	FEM LED	VAP LED	FHE LED
	Contractor Select	Wet Location / Vapor Tight	General-Purpose/ Vapor Tight	Architectural Vandal-Resistant	Food Processing / Cold Storage
<b>Purpose</b>	 Contractor Select. Low cost, general task wet location fixture. Use in tight spaces or where portable lighting may be needed. Polycarbonate housing and lens provide superior impact strength.	 Lightweight multi-purpose luminaire. Use at lower mounting heights and ambient temperatures up to 104°F (40°C). Two-piece, snap-together design for simple one-person installation. Replaces 2-lamp T8 4-ft fluorescent fixtures.	 Feature-rich, general purpose fixture suitable for most demanding applications. This is the workhorse of the wet location, vapor-tight line-up because of its available fixture sizes, broad range of lumen packages and numerous control options.	 Lightweight polycarbonate fixture that bridges the gap between vandal- and impact-resistant products, refined appearance, performance and controllability. Use when durability and aesthetics are a must.	 Built to withstand the rigors of demanding environments. Specify in food processing, cold storage or applications with frequent washing or cleaning and higher mounting heights.
<b>Lumens</b>	1800 Lumens	2,000 - 4,000 Lumens	3,000 - 20,000 Lumens	4,000 - 12,000 Lumens	9,000 - 24,000 Lumens
